

Balance of \$110.00 is due Dec. 3rd

AVAILABLE SPOTS FOR BREAKTHRU

1. We have been allotted 100 spots for students for HS BreakThru. Depending on the number of students other BreakThru churches bring, there is the possibility for us to acquire several more spots. However, this is not guaranteed, and will not be known until the beginning of December.
2. We are required by BreakThru Ministries to have an 8:1 student to Small Group Leader ratio. This ensures that the small group element of BreakThru will be a quality experience for the students. If at the time registration starts we do not have enough SGLs we can only sign up the appropriate proportion.

WAITING LIST POLICY

1. After all our allotted spots for BreakThru have been filled, a waiting list will be formed; one for girls and one for guys.
2. If we receive more spots, students will be moved from these two lists in the order they were received.
3. After December 3rd, we can only replace a spot with the exact grade and gender of the person who dropped out of the trip.

REFUND POLICY

1. Because the church has a Dec. 3rd financial deadline with BreakThru Ministries, we are going to have to strictly enforce the following payment and refund policy.
2. The balance of **\$110.00** (unless you paid the full \$210.00 when you registered) is due on Thursday, December 3rd. Please mail balance payments to the church, c/o Rhonda Berry, or you may put your payment in the drop box on the Youth Center porch. Please put your child's name in the memo.
3. Any cancellations made on or before December 3rd will be issued a full refund of amount paid. **No refunds can be given after December 3rd, unless we can fill your child's spot on the retreat.**
4. If we do not receive your balance by December 3rd, or arrangements have not been made (in writing with one of the SM Staff), we will assume your child is not going on the retreat and he/she will be taken off the list.
